LESSON/DAY AND TIME:

Kindly be mindful as stated in the Student Handbook, when you schedule your lessons time and day, you are reserving that spot in your instructor's schedule. It is very important that you regularly attend at the appointed time each week. The date and time agreed upon is:

Day: _____ Time: _____ Instructor: _____

Statement of Understanding

Students (and parents if child) initial on each line, indicating you are in agreement with each item.

COMMITMENT TO LESSONS:

_____ I have committed to completing, at a minimum, the Simply Music Level 1 curriculum.

_____ I understand that a parent is required to attend each lesson with students age 10 or younger, support the student at home, and take an active role throughout the process. If a parent is not available, another life coach may substitute as long as she/he is able to serve the same role between lessons.

_____ I understand that class times may occasionally change due to class size or differing abilities of students.

PAYMENT:

_____ I understand that classes are formed based on the commitment of class members/parents and on the minimum enrollment requirement. As such, first month's tuition, and Level 1 materials fees (due with this signed agreement) are NON-REFUNDABLE once I am assigned to a specific, mutually agreeable class time. (In the unlikely event that a mutually agreeable class time cannot be arranged, I will be refunded 100%).

_____ I understand that tuition is due in advance each month by the first day of the month. If paid after the 1st, a late fee of \$10 will be added to my account. If paid after the 14th, an additional \$10 late fee will be added to my account.

_____ I understand that I am paying for a set number of lessons per year and that the amount is prorated evenly over 12 months. Thus, the monthly tuition remains the same regardless of the number of lessons in each month. I will provide a 30-day notice of discontinuing lessons as outlined in the handbook.

AT-HOME TIME COMMITMENT:

The Simply Music method promises breakthrough results. These results are achieved easily and naturally if all of the teacher's instructions are followed. This will include a regular, consistent practice time at home, marking the playlist, utilizing the student home materials as instructed, and actively participating in class.

Your Simply Music teacher is trained and licensed to teach the Simply Music curriculum. She/he is your coach who, once per week, teaches you tools and strategies that you process and master at home in between lessons. She/he is your **METHOD COACH**. It is the parent, or **LIFE COACH**, who must consistently guide and support the student at home. This is a small investment of time which can have a lifelong impact. Adult students serve as their own **LIFE COACHes** at home.

_____ I have read the above and understand my role as **LIFE COACH**, as well as the time commitment at home required for my student(s) to experience success with the Simply Music curriculum.

_____ I have read in its entirety and understand the Revolution Music Studio Goals and Policies (Student Handbook). I agree to the terms in this document and those outlined in the Student Handbook.
